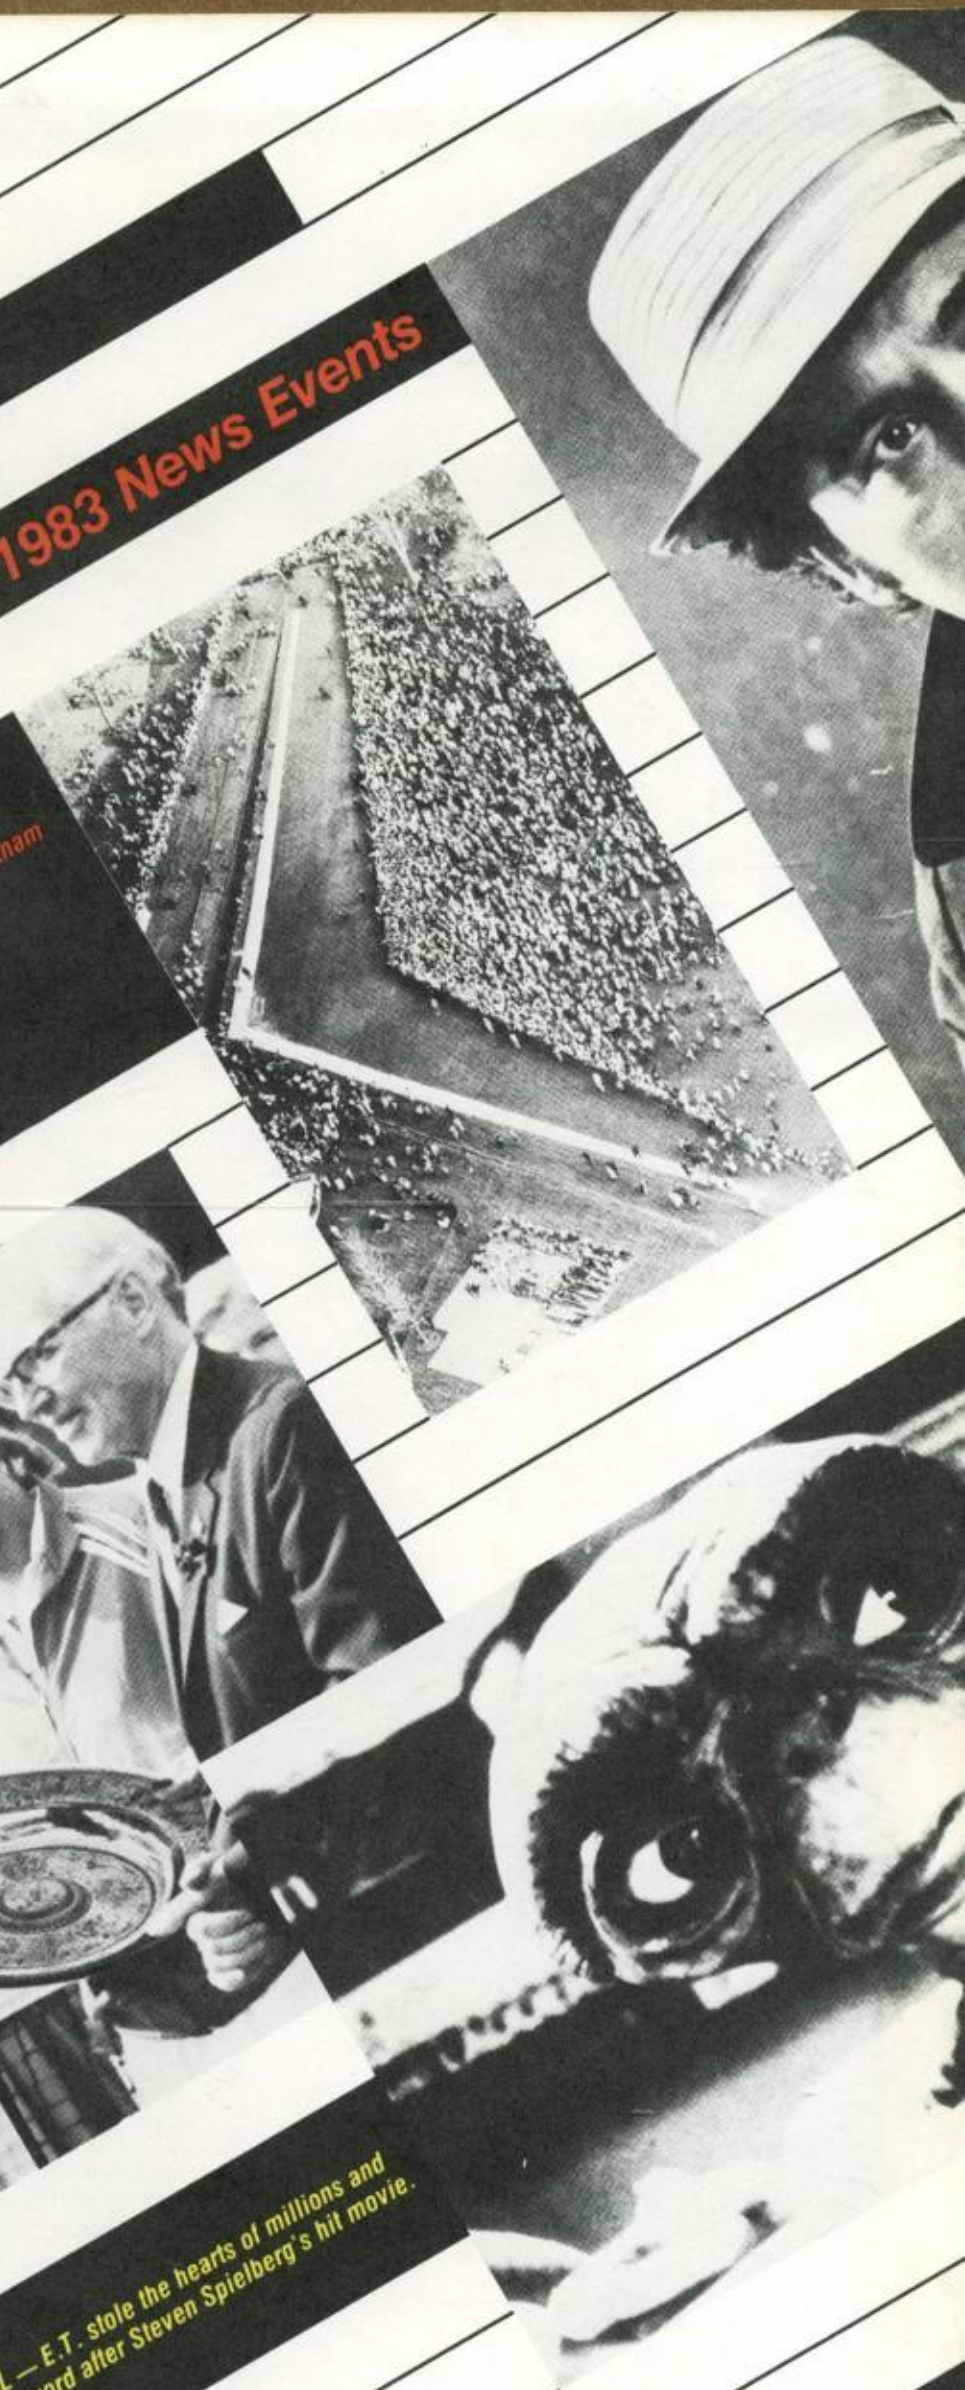
1982-1983 News Events

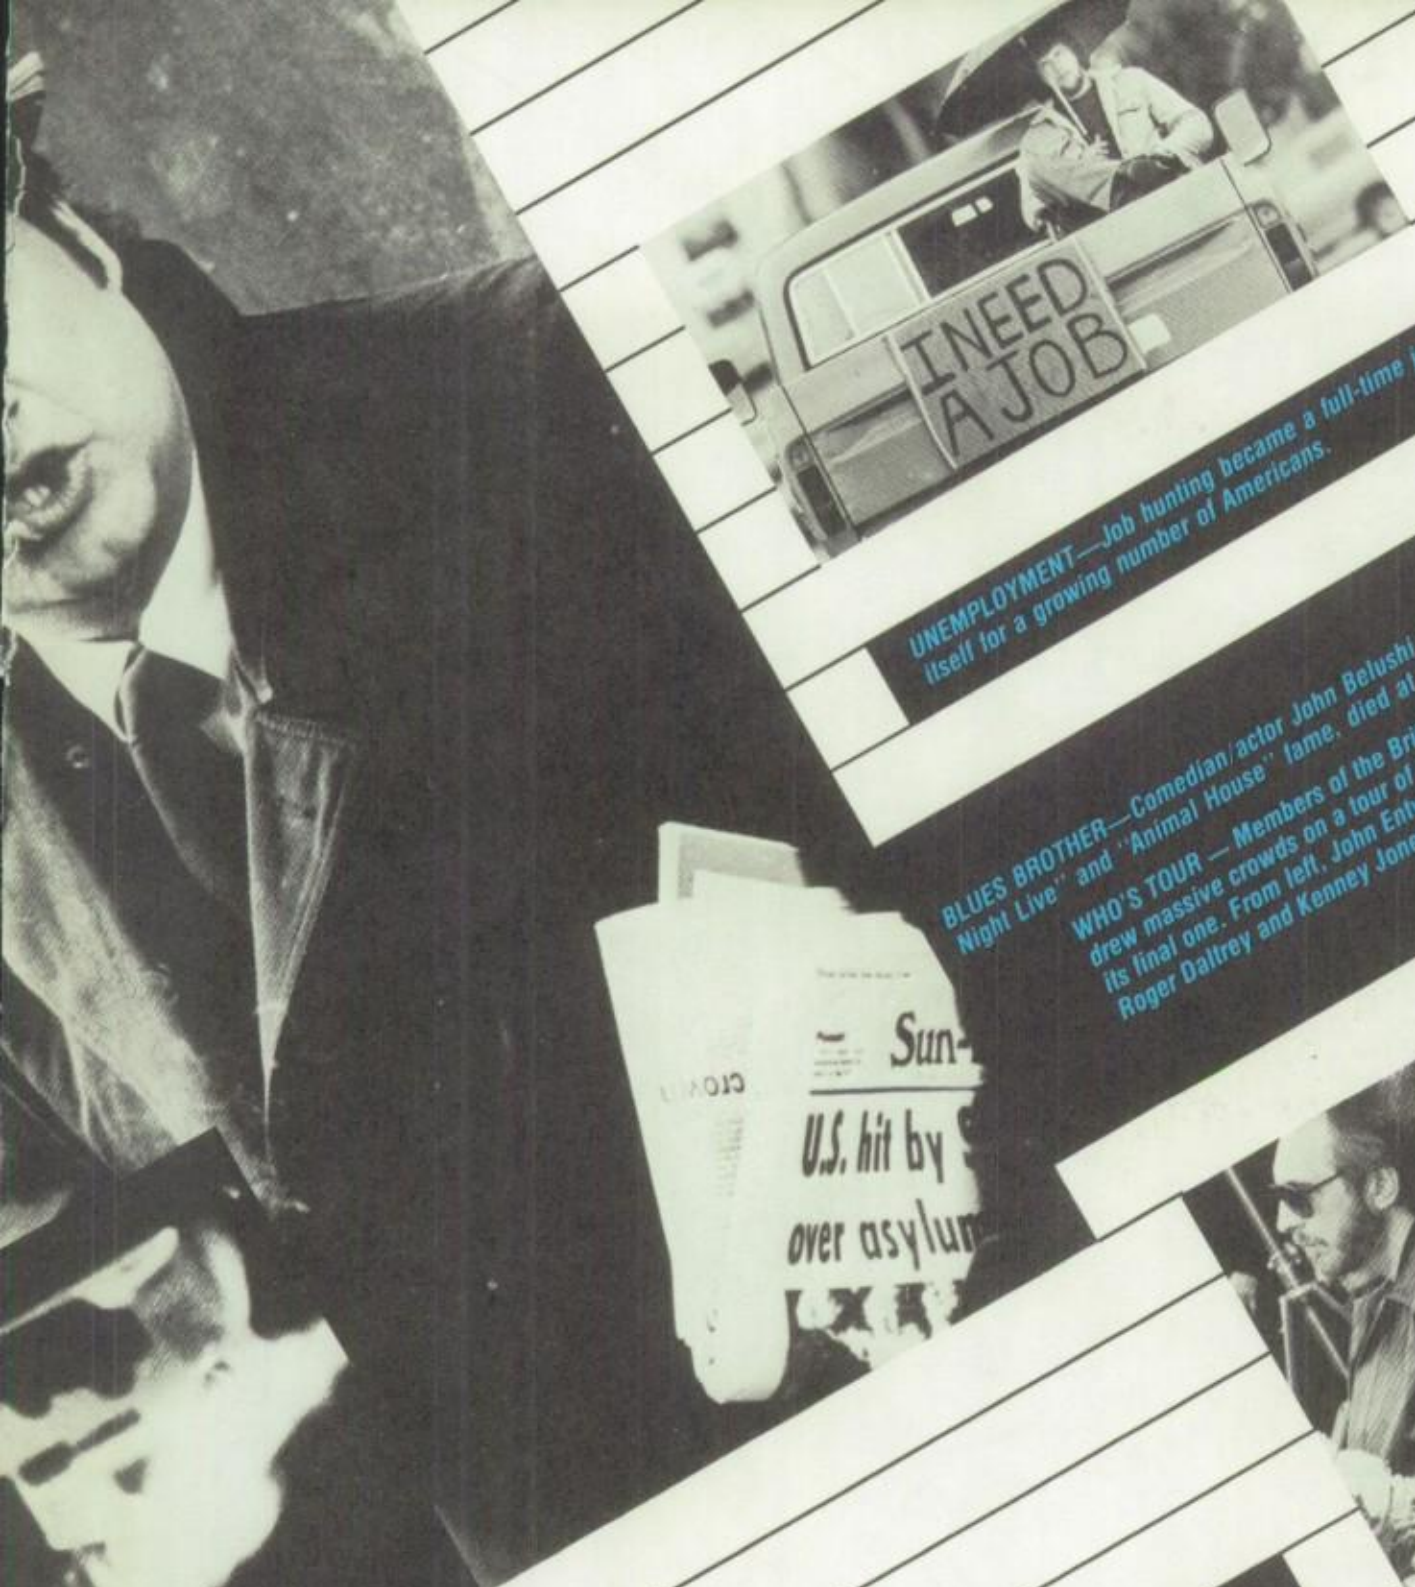
GAMES PEOPLE PLAY—The video game became one of the most popular forms of computer-era entertainment.



MEMORIAL—Vietnam veterans finally received the recognition they had long felt was missing. The new Vietnam Memorial was dedicated in Washington, D.C.

VICTORS—Martina Navratilova was at the top of the women's tennis world when she beat Chris Evert Lloyd to win the Wimbledon Ladies Singles Championship. Jimmy Connors, who won the men's championship, beat title holder McEnroe.

EXTRA TERRESTRIAL—E.T. stole the hearts of millions and became a household word after Steven Spielberg's hit movie.



UNEMPLOYMENT—Job hunting became a full-time job in itself for a growing number of Americans.

BLUES BROTHER—Comedian/actor John Belushi of "Saturday Night Live" and "Animal House" fame, died at age 33.

WHO'S TOUR — Members of the British rock group "The Who" drew massive crowds on a tour of North America announced as its final one. From left, John Entwistle, Peter Townshend, Roger Daltrey and Kenney Jones.

1982-1983 News Events

HAIG OUT — George Shultz, right, became Secretary of State, succeeding the controversial Alexander Haig, who resigned.

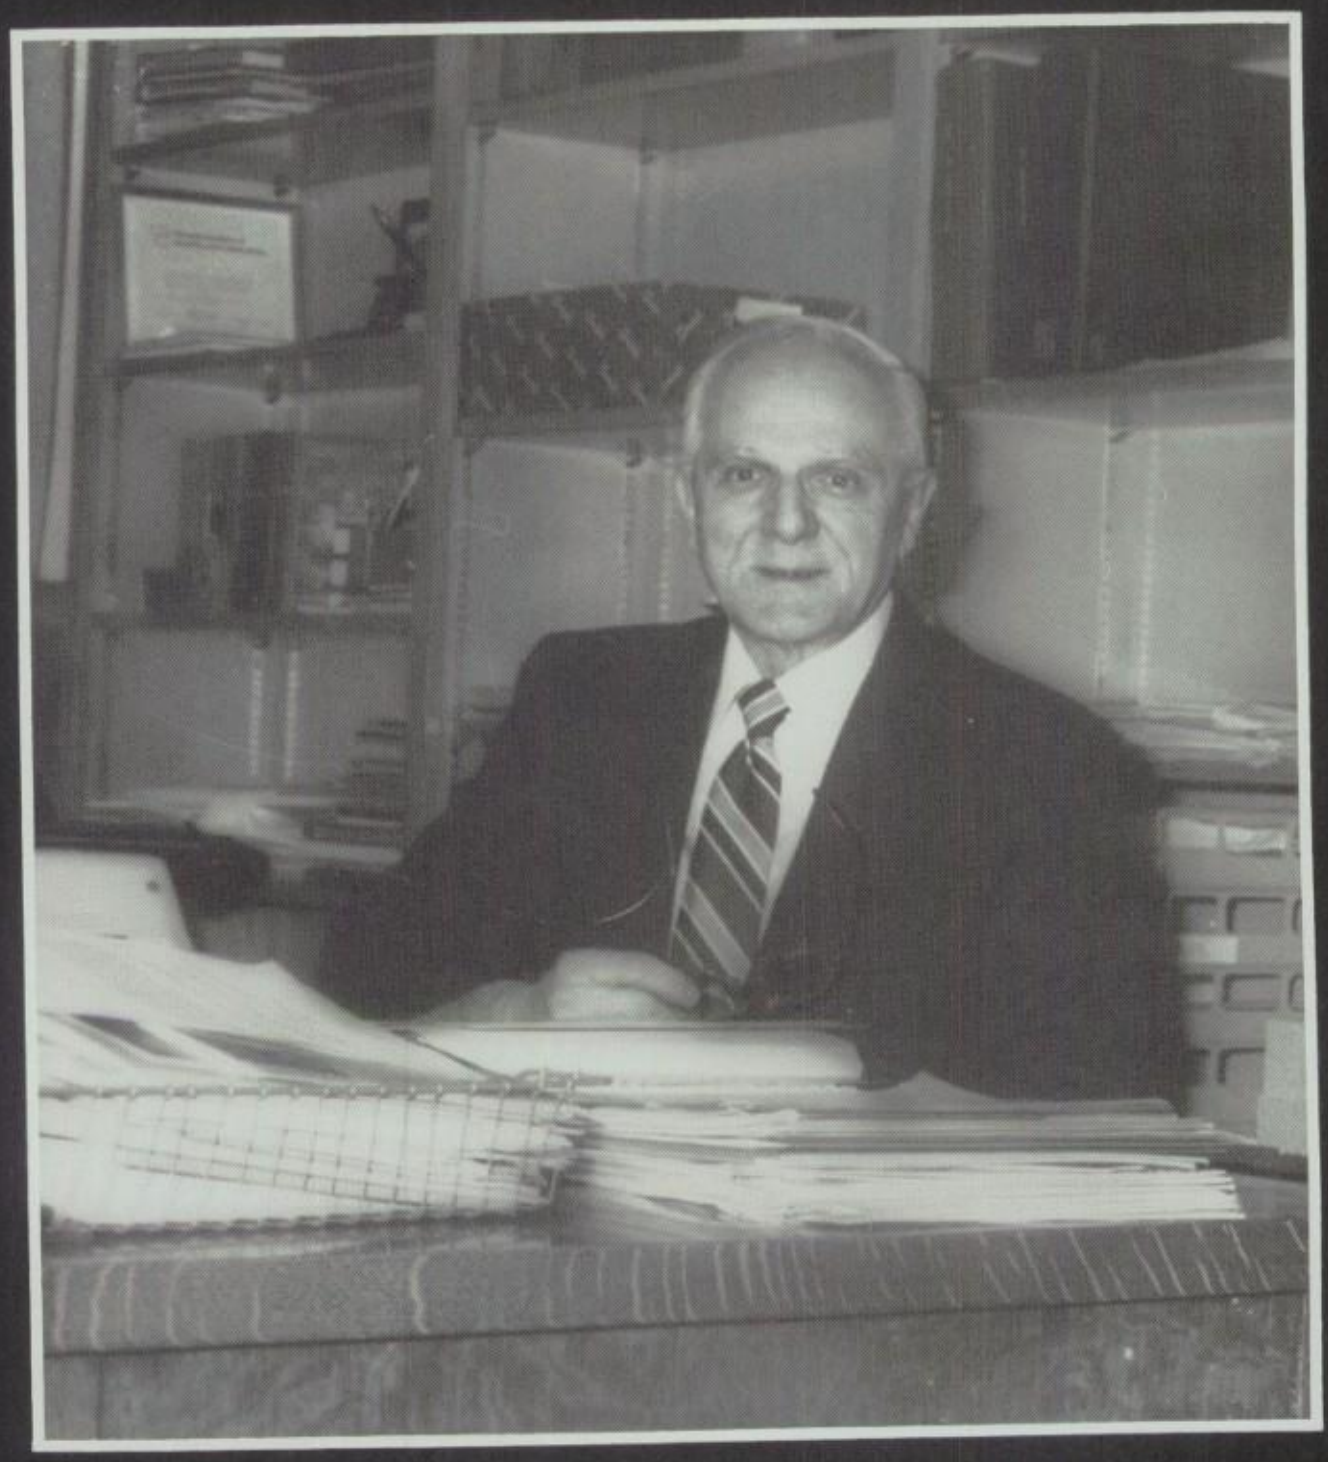
We Proudly



Mr. Micheal Verich is formerly a teacher and Dean of Boys at Central Senior High. He received his Bachelor of Science from Superior State College and his Master of Arts from the University of Northwestern. After serving as assistant Superintendant he became Superintendant in 1971. He is the longest tenured Superintendant in the School District of Superior and has served in that capacity for twelve years. We will miss him when he retires in June of this year.

Dedicate ...

Mr. Benjamin Kanninen is symbolic of the *Future* in our theme. This is his first year as principal at Superior Senior High, replacing Mr. Bert Beglinger. Having graduated from Denfeld High School in 1968, the new principal has attended Princeton University in New Jersey, where he earned a Bachelor's Degree in English. He also attended Saint Thomas College in St. Paul, and U.M.D. where he earned a specialist certificate in administration.

A Superior Future

In 1993
When we
the Seniors of 1983
Gather
For the 10 year class reunion
A Copy of this Yearbook
Will probably be present
Looking through it
We will see
faces
Perhaps not seen in 10 years,
Memories
Perhaps not thought of in 10 years,
This will be our past,
on which we have built
A SUPERIOR FUTURE.

Crystal Memories

christmas dance 1982

The 1982 Christmas Dance, which took place on Saturday, December 18, from 9 o'clock to midnight, featured music provided by the band, "The Product". Pictures were taken by Roy Meronek photography. This year's theme was "Crystal Memories". The festive decorations included trimmed Christmas trees, mistle toe and the Krystal Kiss Kastle, which was a red crepe paper structure in the cafeteria. The dance was sponsored by J.S.A. and attacted many couples in their formal attire. One tradition of the Christmas Dance at SSHS is that it is always "girl ask boy". Most couples go out to dinner either before or after the dance, then bring the evening to a close by going to a small party.

Debbie Zauhar and Paul Gidley enjoying themselves at the dance.

Lisa LaFlamme and Jeff Nelson pose for a picture before leaving for the dance.

Pam Laureys and Gerry Moe. Jane Hill Mark Tomzak stop for a picture.

Cary Brochu and Marty Gonser escape from the dance floor to a quieter spot.

High Quiz Bowl

led by jewson & sitek

High Quiz Bowl started at SSHS during the 1979-1980 school year. This year's members are: Brian Erdman, David Johnson, Arnie Parenteau, Mary Jo Sitek, and Jeff Stillwell. The taping was held Thursday January 13, at 7:00 p.m. in the Catherine Ohman Theatre in the McCaskil building on the UW-Superior Campus. The school was awarded a scholarship for their participation in this event. The coach for the High Quiz Bowl team is Ms. Sally Jewson. The captain for the team is Mary Jo Sitek. All games are aired on Saturdays at 12:30 on channel 6. High Quiz Bowl is fashioned after the famous college bowl of the 1960's. Champions earn the right to attend the National Competition.

Above: Ms. Jewson, Arnie Parenteau, Jeff Stillwell, Brian Erdman, David Johnson and Mary Jo Sitek pose for Quiz Bowl picture.

Mary Jo Sitek takes a break from her studying.

David Johnson refreshes his mind.

Ms. Jewson and Jeff Stillwell "sound out" a word together.

At Left: Ms. Jewson, Arnie Parenteau and David Johnson do some research.

Water Show 1982

aqua-maids are "natur-ally" yours!

Watershow for spring 1982 had the theme Aqua-maids are "Naturally" Yours! It was held under the direction of Mrs. Shirley Gillman and Mrs. Carol Haglin on May 5, 6, and 7. Student directors were Mary Peterson and Darla Tollefson.

The show opened with dancers performing to the song "Aquarious" and swimmers to "Let the Sunshine In". Darla Tollefson performing a solo to "The Rose", and Ann Doherty dancing to "Chariots of Fire" are just two examples of what became a successful show. The finale, consisting of most of the cast, closed with "Raindrops Keep Falling on My Head". All of the girls (approximately sixty) of this years show worked hard to make the show one of the best ever.

Our Lives Have Just Begun

prom 1982

"Our Lives Have Just Begun" was the theme for the 1982 Junior-Senior Prom, May 22. Dancing was held from 9:00 to 1:00 with *Shades* providing music in the cafeteria. Photography services were provided by Emmert Photography for interested couples. Refreshments were served by freshmen. The Grand March began at 8:00 with Kris Johnson and Steve Olson, accompanied by Sue Presuhn, singing "Endless Love" as Deanna Moss and Dale Lundgren were crowned Queen and King.

Homecoming

"spartans take the cake"

Medallion Hunt, Dress-up Day, Powder Puff Football, Jersey Day, Spirit Day, Assembly, Parade, Dance, and the Football game were many of the Homecoming activities for the 82-83 school year. The theme was "Spartans Take the Cake". Many floats were decorated with this theme and were displayed during the parade which took place in downtown Superior. The football game against Duluth East ended in the score of 37-0 (Easts victory). Mickie Danielson was crowned Homecoming Queen during halftime at the game. The Dance followed the game with the band Outcry. The winners in the float division were: Clubs: VICA- best DECA-most creative, and Health Careers-most humorous. The Homeroom winners were: 112-best 222-most creative, 230-most humorous.

Verich Speaks To '82 Graduates

seventeenth annual commencement

S.S.H.S. class of 1982 held the 17th annual commencement exercises in the Senior High gymnasium. Senior Class president Lorna Modeen addressed her classmates at the June 10th event.

The main speaker to address the group was Mr. Micheal Verich, superintendent of schools for the Superior School District. His speech was entitled "You are the Future." Mrs. Elaine Hedenblad, President of the Board of Education, conferred the Diplomas. Rev. J.E. Presuhn delivered the invocation prior to the exercises, and Pastor H. Duane Aslyn offered the benediction after the ceremony. The exercises began at 8 p.m. with the graduates ushered in to music provided by the Senior High School orchestra, under the direction of Miss Beth Bashara, student director. 23 scholarships were awarded, 37 NHS students graduated along with 4 YFU students.

Group Involvement Stressed

fifteenth annual spartan fiesta

Spartan Fiesta, the cultural art display was held Thursday May 27, 1982 at 7:30 p.m. in the High School gymnasium, for the 15th consecutive year. Many departments were involved in this affair which gives students and parents the chance to see paintings, woodworking, pottery, jewelry, and other arts and crafts.

The Drama Club performed "Little Women" a production arranged just for that occassion and the Jazz band, under the direction of Mrs. Cheri Zuber, also performed as did the handbell choir under the direction of Mrs. Jean Sweeney.

D.E.C.A. (Distributive Education Clubs of America) sponsored a style show at the fiesta.

The Fiesta not only helps students by allowing them to sell their works of art, it also teaches groups how to work together.

Valentines week was Feb. 8-11 Numbered hearts were hidden in the school. The people who found the hearts with the correct numbers won a prize. The winners were Dean Kowalik, Donna Morino and Michelle Maki. During lunch the computer dating results and valentines were sold by J.S.A. and carnations were sold by the German Club. Also during the week there was a candy counting contest with Scott Gravening correctly guessing the amount of candy in the jar. There was a jersy day and a sweatsuit day. On Friday students voted for Mr. and Mrs. Sweetheart.

Sandy Geegan and Mike Hartman were named Mr. and Ms. Sweetheart. The Product was the band for the dance. Monday, Feb. 14 was Red and White day and Valentines were handed out during homeroom.

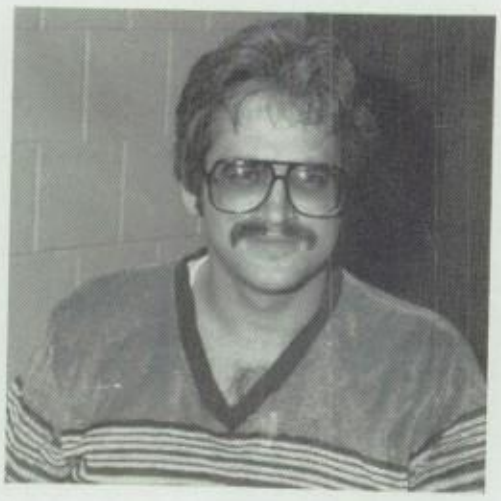
ORGANIZATIONS



The 1982 Joint Student Assembly

plans new activities

The 1982 J.S.A. or Joint Student Assembly has sponsored many fun activities for this year. Many of these activities are new, but some are old activities that have been changed in order to make them more fun. These activities included a Welcome Week, Halloween Dance, Christmas Dance and MORP (opposite of prom.)

J.S.A. advisor is Mr. Ed Gallagher.

During this year, his first year as advisor, some changes took place and new events were added. One major change that took place was the changing of the constitution which was done in order to clear up and specify the rules to the members. Ten members from each grade are elected plus six special members are appointed at large.

The *SSHS Link* Newspaper
student and teachers bring it back!

Concerned and enthusiastic students have once again accomplished a major goal: reviving the school newspaper. Responding to student interest, Ms. Sally Jewsen and Mr. David Leibforth became advisors to a group of journalistically-inclined writers. Mr. William Rehnstrand also assisted in the planning and with the first two issues. The newspaper, which was originally called the *Spartan Spectator,* was renamed by the newspaper staff. It is now the *SSHS Link*. Covered by the writers are news, feature, sports and editorial stories. This extra-curricular project is published once every quarter and is available to those students who paid the Student Event fee. The *SSHS Link* is yet another demonstration of what ambition, enthusiasm and a little hard work can accomplish.

Forensics
building on communication skills

Forensics is one of Superior Senior's most useful and interesting extra-curricular activities. The coach, William Rehnstrand, and "deputy" coach, Joy Bashara, work together to help team members develop their potential as public speakers. Participants must labor to achieve easily understood speeches, clear articulation, and natural gestures. Categories such as public address, play-acting, significant speech, interpreter's theatre, demonstration, poetry, prose, and four-minute speech offer a wide variety of learning experiences and allow for a large number of participants to enter in contests. The team attends at least two invitational meets a year besides taking part in sub-district, district, and state competition. This year the team placed third at the Eau Claire meet and second at the River Falls invitational.

Active In School & Community

tania palmer - state president

D.E.C.A. (Distributive Education Clubs of America) members are active in school and in the community. Students from the Superior Chapter will compete in district, state and national competition. This year's DECA nationals will be held in New Orleans, Louisiana.

Tania Palmer, the Wisconsin DECA state president, is the only student from Superior to be elected to that high office. Tania presides over an organization of over 500 members.

Junior vice-president for each class are Colleen Barton and Link Hunter. Mary Kay Tafelski and Brian Dittbrender are treasurers for their classes.

Local senior president is Scott Crase; vice president is Lori Adams; secretary is Susie Notton. Treasurer is Henry Reimer; reporter is Kurt Naumon, and historian is Wayne Mack.

Advisor is Mr. Bob Barrette.

health careers - construction tech.

Vocational Industrial Clubs of America enables the student to get involved with areas that are not regularly taught in high school such as Health Careers and Construction Tech. Health Careers teaches about everyday hospital procedures. Students tour the hospital, learn medical terminology, first aid and listen to guest speakers. It also furthers their knowledge of a career choice. To be in Construction Tech. a general knowledge test must be taken. It is a selective class which is made up of 25 juniors and 25 seniors. They learn carpentry skills which will be helpful in future years. At last summer's State Carpentry Competition, Superior won 1st, 2nd, 3rd and 4th places.

Drama Department

the sounds of a musical come back!

It's been since 1981 that SSHS has sponsored a musical production. Joy Bashara, director of the Drama Department, selected *The Sound of Music* for the 1983 show. That was not the extent of the Drama Department's activities. Early in the year, the one-act play, "Fabulous Fable Factory", traveled to Stevens Point for competition. The "FFF" toured all of the local elementary schools and gave many other performances as well. The Drama Club was also busy with such activities as the Jaycee's Haunted House. The 1983 theme, "Bound for Broadway" was appropriate as it characterized the year's actors' and actresses' high-set goals and enthusiasm, along with their unequaled performance standards.

Harvard Model United Nations
a beginning for tomorrow's leaders

Today's youth must have an understanding of world problems in order to be effective leaders of tomorrow. The Harvard Model United Nations is perhaps the best organization at our school working toward advancing students' knowledge of world happenings. The conference, which includes approximately 1600 students from all over the USA, is one of the largest and most realistic held anywhere. SSHS's team began researching the United Nations in July. By October, the group had focused on the country of Denmark. The team had to have an understanding of how Danes look at world problems in general and how to resolve some of these problems. It is an organization which requires research, dedication and hard work. It can be a very rewarding experience.

Duluth Model United Nations
SSHS sends large delegation

Superior Senior High School is often superior in many areas of extra-curricular activities and our participation in Duluth Model U.N. is no exception. We usually have the largest delegation and therefore we receive one or two of the most important countries along with a few smaller countries. The SSHS delegation is usually asked to fill several prominent positions as officers, also.

The students, under the direction of Mr. Mike Witken, must meet several requirements before they are allowed to attend. The purpose of the program is to promote awareness of world problems and to direct students to look at problems from different perspectives. Duluth MUN is sponsored by the YMCA in cooperation with UMD, where the event takes place.

Lacedaemon
yearbook staff 1983

Lacedaemon, the name of the annual at Superior Senior High School, meets as a regular class. They also meet during outside time in order to meet the deadlines, that come every four weeks, to guarantee springtime delivery. Students work on photography, layout, copy, and distribution of the book. They also sell name imprints and help organize and distribute underclassmen photos. Eighteen students make up the yearbook staff. There are an additional three poeple who act as photographers, who take their own pictures, develop the film, and print the pictures. Their advisor is Mr. Phil Fernjack. The yearbook staff's advisor is Mrs. Arlene Osterlund. The name Lacedaemon is pronounced las' e de' men, and means a powerful military city in ancient Greece. Weisberg Swim

1982-83

The Weisberg Swim Therapy Program is made up of about thirty SSHS volunteers who take study halls, phy ed, or their lunch hour every Thursday to work with the handicapped children from the Cooper Weisberg Center. The volunteers help the students on a one-to-one basis. The children learn how to float, crawl, bob, plus how to get along with others.

The first session was held on September 30, and most Thursdays throughout the school year.

Mr. Mike Pahlen, head swimming coach, is the advisor for this group, which includes 10th, 11th, and 12th grade students, including two "Y.F.U." students.

Participation in this program is open to any interested student who is willing to give of their time.

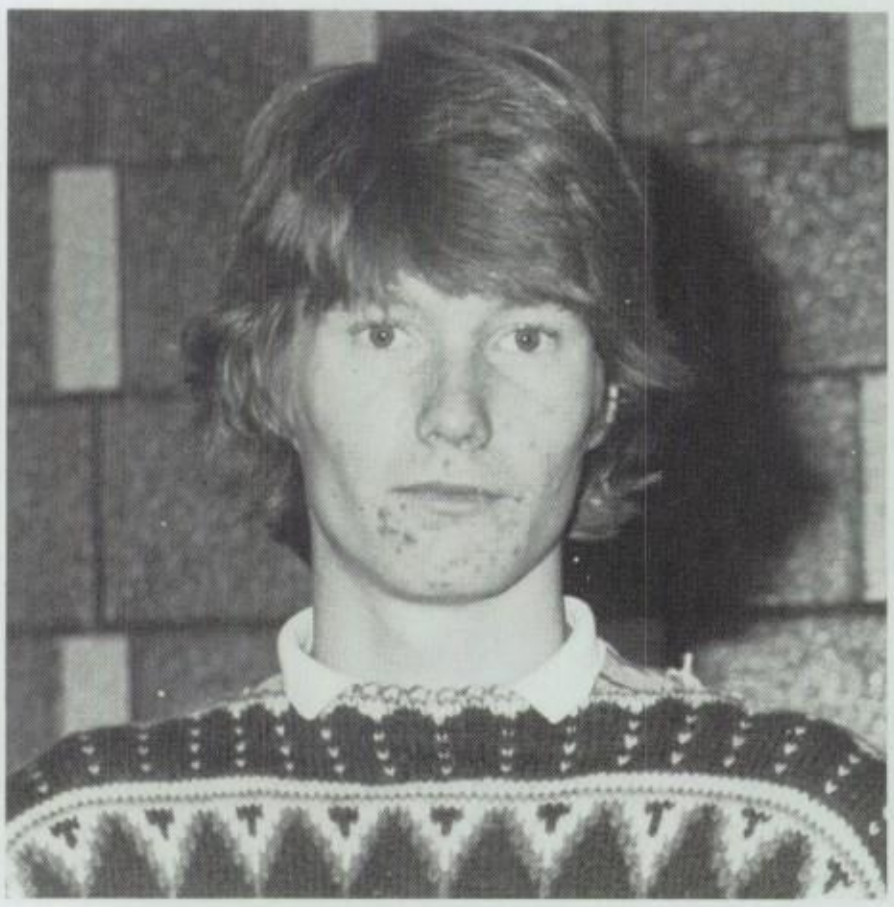
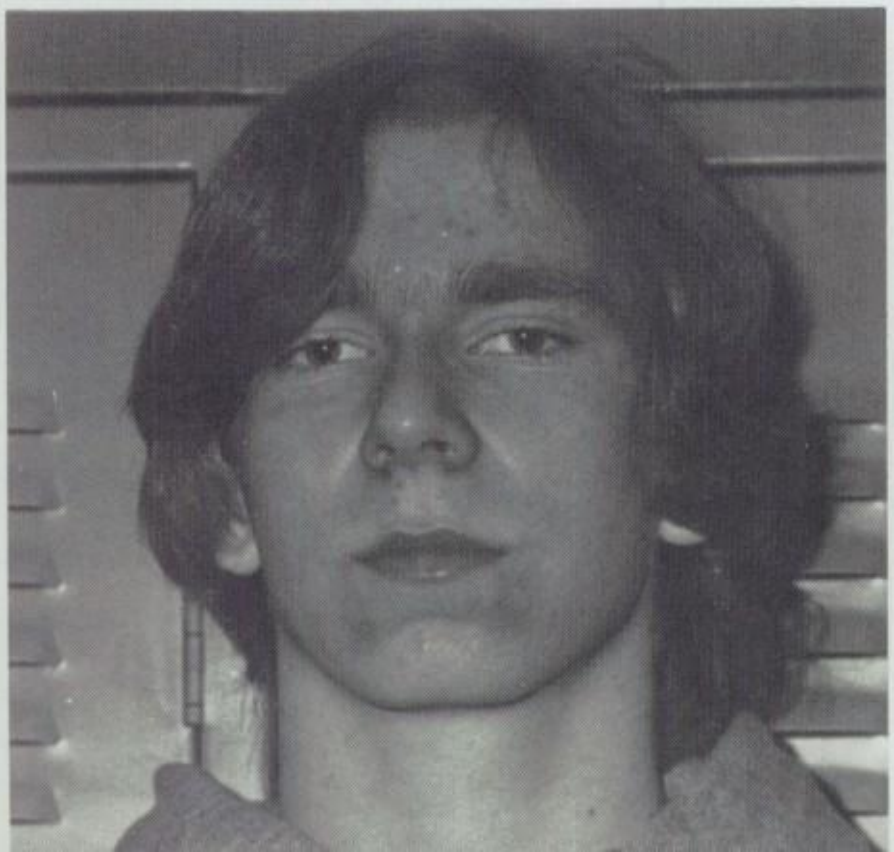
We have 6 YFU students attending SSHS this year. All of them are 12th grade students. We asked them alittle about their background. These are their replies.

Ilka Mueller is from Germany and tells of her hometown, Gabitamb. It has 30,000 people. They have more places to go there, such as discos. She likes SSHS, but says it is a very strict school about things like coming in late. She says that they have more freedom in her school.



Kenneth Andersen is from Norway and lives with Kathryn and Frank Holton. Holmestrand is the town he comes from. It has 10,000 citizens. In the old times Holmestrand was a very famous sailing vessel town. Most of the people in his town work at an aluminum factory. He likes to go down-hill skiing and play soccer.

Johan Bo Erik Selander is from Sweden. He is staying with his cousin, Brian Lundberg who graduated from SSHS last year. Johan says they don't have American football in Sweden or Europe, but says he really likes to play football. He comes from Stockhom, the capitol of Sweden. It's a big beautiful city where about 1,000,000 people live.

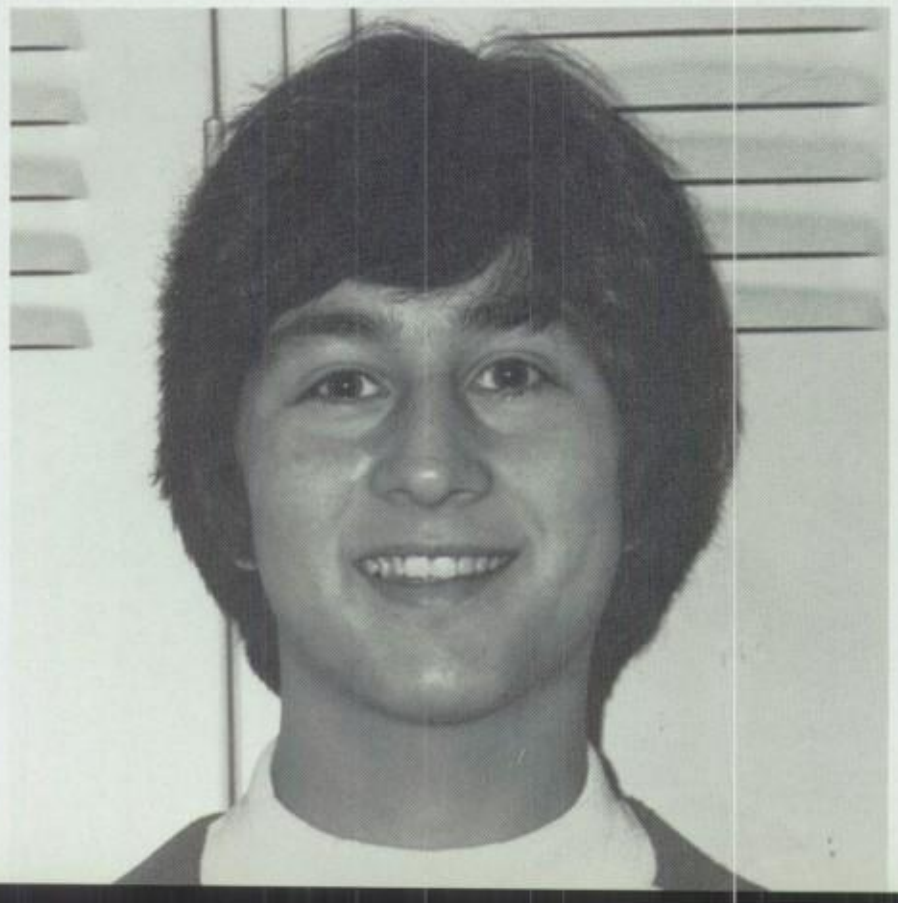


Youth For Understanding

Wilhemia Antonia Arnolda Bonger is from the Netherlands. Her comment on SSHS is that the school organizes more school events than hers. She doesn't really like the building so much because she feels a little closed in. She is more used to big windows and fresh air. She lives in a village of about 3,000 people. Nearby is a forest with a bit of farming. Her home town is called Herkenbosch.

Stephanie Gaeremynck is from Belgium and is staying with one of our class mates Paula Smith. She likes to dance, go to the theatre, and dream. The town of Brussels, where she lives, has about 1 million people. They have a lot of places to shop and eat. They also have a lot of museums. You have to be at least 18 years old to drive in Belgium, so you have to take the bus or have your mom give you a ride to wherever it may be you want to go.

Alvaro Fernando Nunez Bassaez is from Punta Arenas, Chile. He likes SSHS, and says the teachers are very nice people, and students are very friendly. He enjoys the music department of SSHS. Sports in his country are the same, but more popular is soccer. He likes to play the guitar and sing.



School Forest
presents alternative curriculum

School Forest lies 22 miles south on Highway 35. It is a camp used as an alternative to regular classroom work. It is a three credit, selected course card subject with limited enrollment. Mrs. Debbie Carroll and Mr. Bernie Dinda teach each of two groups: a.m. and p.m. Academic classroom work along with forest work make up the curriculum.

Future Business Leaders of America is a co-curricular organization open to any student who has had at least one business course. Preparing for future success- whether it is in competition at the regional, state, or national level, participating in actual work experience in their jobs in many of the businesses in our community, completing community projects- is the goal of the organization.

Library Science Students Learn Practical Skills

Library Science is a class which focuses on a "learn by doing" method. A handful of selected students acquire a functional knowledge of how the Superior Senior High library is run. The student librarians are assisted by Mrs. Florence Voynich and Miss Delores Hassel, who are the official librarians. The students learn everything from checking out books to filing cards and replacing books according to the Dewey System. They are also responsible for library decorations. Two or three students work in the library each hour. It is a class that really involves each student and helps in future careers.

Flag Twirlers
something old and something new

The 1982-83 Flag Twirlers combined many new ideas with trusted old ones to develop performances that were extraordinary! Captain Lynnette Caffrey and Co-Captain Denise Bergsland worked together with the other twirlers to design and purchase new uniforms. An emphasis was placed on creating new moves for routines. The twirlers cleaned up the old flags to put on half-time shows at football games and parades that really looked sharp! Perhaps their most unique performance was at the Christmas City of the North Parade in which the flag poles were decorated with garland to look like candy canes. By using the old techniques and pure cedication along with a new look, the flag twirlers made this year's performance exciting and fun to watch!

Twirlers
rifle - baton

The Superior Senior High Baton and Rifle twirlers spent many hard hours working on routines during the summer and all year long. Some even attended summer camp. Both groups perform at football and basketball games and assemblies. They also lead the band in the July 4th, UWS Homecoming, SSHS Homecoming, and the Christmas City of the North parades. Besides time spent in preparing routines and marching, these enterprising girls also used their imaginations to decorate their uniforms for each appropriate occasion. Rifle twirlers sold old fashioned candy sticks and stuffed animals in order to raise funds for accessories to their new uniforms. This years baton group was raised from four to seven members. Both groups are under the direction of Mrs. Diane Cushman.

Pom Pons
1982-83

The Superior Senior High School Pom Pon squad, with co-captains Kim Olson and Bunny Leland, had a memorable year. During the summer they went to camp in Minnesota, winning numerous awards. They started out the year performing in the Welcome Week assembly. Then came football season, which was filled with many activities, including the homecoming assembly and parade, along with the U.W.S. homecoming parade. Then on to the Christmas City of the North parade with freezing temperatures. As winter came into the picture so did hockey and basketball, with the girls performing at selected home games. The Snow Week assembly ended the memorable year. The 20 girls went through a lot of hard work, but it all paid off at the end. Mrs. Diane Cushman is the advisor.

Orchestra 1982-83

stresses musical involvement

Twenty members make up the Senior High orchestra, under the direction of Miss Karen Paffel. The stringed instruments that make up the orchestra are violins, violas, cellos, and bass violins. Other instruments that make up the orchestra include brass, woodwinds and percussion, along with a harp and a piano. The predominantly senior orchestra also has sophomore and junior members to carry strength in future years. They play at annual Spring and Christmas concerts and Graduation, besides performing with the musical and other invitational events. Sight reading skills, and performance of major recorded works are learned during the three years of high school. Students may take the class either full-time or half-time, and the class meets 8th hour.

Band

marching band

"East are hounds-that may be true, but they're no match for our Big Blue! Double to the rear sound off! One, two-Big Blue!" Those who attended our homecoming parade could hear the SSHS marching band singing out this battle cry. Marching band is much more than this simple chant, however. The band, which is comprised of students in the Wind Ensemble and Concert band, must memorize music, master the techniques of marching and follow the whistle calls as given by director, Mrs. Cheryl Zuber and majorette, Tracy Nelson. The band also performs at half-time at football games and many other community events.

Girls Choir

"music that moves"

The Girl's Choir, which has been disbanded for two years, was revived this year. Mrs. Cheryl Zuber, an instrumental major, accepted the challenge of instructing the thirty-three member choir. The choir's repertoir included music that moves such as pop show tunes, contemporary, country and love songs. The choir added an extra musical dimension by performing selectively with the bands. Junior and Senior girls made up this year's choir along with a few band members playing their instruments such as pianist Stacey Walsh. The choir enjoyed the change of styles of music throughout the year. This year's "rebuilding" was a success and displayed the choirs ability to perform music that moves.

Stage-Jazz Band

predominant musicians

Stage Band, or Jazz band as it sometimes called, is a group of prominent musicians who work together to perform for various school functions: basketball games, hockey games and at pep assemblies. The band, which plays everything from jazz to contemporary rock, also performs at special events such as the teacher's inservice. The most exciting performance is a dance the stage band holds once a year which is open to the public. Mrs. Cheryl Zuber is the director of the band, which includes mostly Juniors and Seniors and two Sophomores. Auditions are necessary to receive the selected course card which is needed to enroll in Stage band. There are about 20 members who are accompanied by guitars, piano and a trapset.

Concert Band

Starting the new school year when one is a sophomore is especially hard but sophomores in the concert band adjusted quickly and enjoyed a noted beginning. The band, which is under the direction of Mrs. Cheryl Zuber, consists primarily of sophomore instrumental musicians. With much optimism and dedication, the sophomores eagerly learned the intricate marching techniques. The concert band worked diligently to perfect its performances in parades and in half-time shows. As its name implies, the band also performs in concerts. The band plays along with the Wind Ensemble on some occasions. Throughout the year, the students build upon their musical knowledge by studying various styles of music and a variety of composers such as Wagner and Mancini.

Wind Ensemble

"a superior band"

Wind Ensemble consists of advanced junior and senior instrumental musicians. Students in this band march and perform half-time shows at all home football games. The band also marches in our homecoming parade and the Christmas City of the North Parade. Many of these people also march on the Fourth of July. The Wind Ensemble also performs at least two concerts for the public. Under the direction of Mrs. Cheryl Zuber, students acquire a strong background in a number of musical styles, such as pop, jazz, marches and classical. Wind Ensemble is not an individualistic class, although students are required to practice on their own time. A performance requires cooperation from all members. Because of this cooperation and dedication, Wind Ensemble is a superior band!

Handbells

music in motion

A good number of components are needed to be a handbell ringer, including coordination, a good sense of rhythm, and timing, but most of all appreciation of music because a person does better at something if they are interested in it.

Handbell choir meets on a daily basis during third hour. These eleven ringers perform under the direction of Mrs. Jean Sweeney.

The handbell choir makes annual appearances at the Christmas and Spring concerts, Spartan Fiesta and other events throughout the city and neighboring communities, including area churches and schools, thus exposing the public to this very unique art form. The Superior Senior High Handbell Choir is composed of thirty-four bells ranging three octaves.

Mixed Choir

develop singing ability

Mixed choir is open to all sophomore girls, and sophomore, junior, and senior boys. Junior and senior girls can join but they must have special permission from the director Jean Sweeney.

This choir's members are those who enjoy singing and wish to develop their singing ability, and a skill in music. The training of this choir acts as a prerequisite for Concert Choir.

With their knowledge gained through daily work, such as voice production and music reading, many participants of this class increase their knowledge of the music world.

Although an audition is not a necessity to gain entrance to this class, it is good for one to have other certain key factors such as interest, ambition, and self-discipline. These are of the utmost importance for the success of the students involved. The mixed choir performs at both the Christmas and Spring Concerts. This assembledge of talented vocalists also appears around town at educational facilities.

Concert Choir
performs four to twelve part music

Concert choir is an advanced choir which performs the finest four to twelve part music from around the world. They perform in concerts, radio tapings, special community performances, and special school functions.

Any junior or senior who enjoys singing, possesses some vocal and musical proficiency, appreciates good music from all periods, and is willing to work hard is encouraged to join this choir. However, students wishing to do so must first obtain a Selected Course Card from Mrs. J. Sweeney, the director.

Concert Choir is a full time class due to the level of music and the excellence which they strive to attain. Nevertheless, it can be taken as a half-time class with written permission from Mrs. Sweeney. Also, she encourages students who plan on taking the class to take Mixed Choir in preparation for it.

Spartan Singers
a select few

Spartan Singers is a select group of junior and senior students from Concert choir who have an above average ability in music. Students who wish to enter this class must audition for Mrs. Jean Sweeney, director. For this audition they must prepare a solo of their own choosing and are encouraged to provide their own accompanist for their audition.

Spartan Singers perform not only in the Christmas and Spring concerts, but also before many community groups. Members must possess dedication and a willingness to reach out to people. Plus, because of their stage movement, they must also possess body fluency.

An equal number of young men and women make up the group. They wear matching outfits at performances which they must purchase themselves.

SPORTS

Spartan Hockey

varsity

The S.S.H.S. Varsity Hockey Team ended with a 11-10 record for the 1982-83 season. Head Coach of the team was Mas Fukushima, and Assistant Coaches were Mike Gotelaere and Mel Mattson. Managers were Tom Dalbec and Tom Shober. Captains for this years team were Dennis Will, Rick Barton, and Aaron Gotham. The Spartans defeated Rice Lake 6-0, Hudson 6-2, and Eau Claire Memorial 4-1 in the sectional games, which brought them to the state tournament in Madison. There the Spartans played Madison Memorial and defeated them by a score of 3-0. For the Championship game, the team played well but lost to Madison West 1-0. Thus taking 2nd place in the state. Top scorer this year was Aaron Gotham. We are proud of our team and wish them the best of luck for following years.

junior varsity

The 1982-83 S.S.H.S. Junior Varsity Hockey Team ended their season with a 7-8-1 record. Head coach of the team is Mel Mattson and the captains were Brian Archambeault, Mike Golat, and Mike Hartman. Top scorers this year were Brian Archambault with 13 goals and 8 assists and Pat Erickson with 8 goals and 10 assists. Mike Dzikonski was the manager. Some J.V. players are moved up for tournament play, but for those who aren't, the season playing J.V. is a good preparation for future years on the varsity team. About seven hours per week are spent practicing at the Wessman Arena during the season plus off-season practices are held at the Duluth Arena for some of the 18 team members.

1982 Volleyball
wins regional tourney

The 1982 Superior Senior High School Girls' Volleyball ended their season with 11 wins and 4 losses. Julianne Meyman was head coach and assistant coach was Stan Verich. This year was the first time ever the group won the regional competition, defeating Hudson 10-15, 15-9, 15-9 and Menomonie 5-15, 15-5, 15-9. Regionals were held in Rice Lake.

Graduating seniors were Wendy Buhr, Kari Flowers, Debbie Ritchie, Jill Longberg, Rhonda Gunderson, Stephanie Podgroak, Teresa Connolly, Sherri Peplinski.

Seventeen underclassmen will be returning for the 1983 fall season. With these people plus upcoming sophomores, the ladies should have a fair season according to assistant coach Stan Verich.

Volleyball is a team sport in which no individual records can be broken. Therefore, the girls must concentrate on teamwork.

'82 J.V. Volleyball
prepares girls for varsity

The 1982 Junior Varsity Volleyball Team had about thirteen members who played approximately eleven games per season beginning September 9 and ending October 28. They do not play in the invitationals or tournaments in which the varsity players are involved, but the regular season competition does help the j.v. girls to prepare for membership on the varsity team.

Junior varsity captains Betsy Kennedy and Jane Hill (both juniors) led the team, and were under the guidance of Coach Stan Verich.

Kris Flowers, captain for the 1980 varsity team returned to help with the coaching of this years j.v. team. According to some of the girls on the team, she was a big help and Kris knew a lot about volleyball.

Superior Hosts Regionals

advances to state

The 1982 Varsity Golf team had a very successful season. They hosted the regional tournament here in Superior where they took first place. From there they advanced to the sectional tournament in Hayward, WI. In order to advance to the sectional event they had to win the regional tournament.

The win qualified them to enter the state tournament which was held in Wisconsin Rapids. The team, which consisted of Joel Davidowski, Aaron Gotham, Chris Morgan, Chris Muenzner, and Tom Shober, came out tied for fifteenth place with White Fish Bay. The golf team was coached by Bernie Tomzak.

Softball Ends 5-4

modeen, gunderson - captains

The 1982 girl's softball team had a successful record of 5-4 this year. The Spartans attended the W.I.A.A. tournament where they defeated Hudson 3-1. However, the Spartans lost to Menomonie 3-15. For the 1982 season Terry Gunderson was named most valuable player; Jill Longberg, most improved player; Robin Doering, most dedicated player; and Kris Edwards, rookie of the year. Captains of the girls 1982 softball team were Terry Gunderson and Lorna Modeen. The Spartans were coached by John Rickstrom and Julie Meysman.

Tennis 1982-'83

randy white, alumnus, returns

The Superior Senior High School spring 1982 boys' tennis team had 12 members. These young men were led by Head coach Mr. Mike Pahlen. Assistant Coach was Mr. Randy White, a Superior Senior High Alumnus.

Senior members of the team were Terry Paine, Dave Dhooge, Mark Tomzak, Doug Meidt, Steve Rickstrom, and Brent Millard.

Home meets were held at the University of Wisconsin-Superior courts, as were after school practices.

Individual recognition for "singles", games can be obtained as well recognition for team involvement in "doubles."

Dedication, practice and passing grades are all eligibility requirements for membership on the tennis team.

Spring '82 Is Building Year

team predominantly sophomores

Paula Kavajecz, lettering sophomore for the 1982 Spring Track Team, was named most valuable participant for the season. Kelly Hogan, also a lettering sophomore, was named most dedicated, and Joan Autio, a third lettering sophomore, was chosen the most improved.

This years team was strongly reinforced with sophomores, who should be the strong foundation of the team for the 1982-1983 Spring season. Ten sophomores lettered while three juniors and two seniors also qualified for that award.

Graduating seniors who lettered included Kim Archambault and Barb Moe. Returning junior letterman were Leah Grittner, Kelly Gaynor, and Chris Ruport.

Improvement Expected For '82-'83

team places fifth at sectionals

Head coach Curt Thomson led the Spring 1982 Track Team to fifth place at the Sectional Tournament with the assistance of coach Doug Olson.

Larry O'Shaughnessy was the only Spartan to qualify for the Sectional Meet. His first was in the 400 meter dash, his time was 51.6 At State, he failed to qualify for the finals.

Because of the strong Sophomore and Junior members, the 1983 Spring season promises improvement. Track is an athletic sport which includes running, hurdling, shotput, relays, discus, long jump pole vaulting, and high jumping.

Last years letter winners are, Scott Crase, Roland Higgins, Brad Koch, Matt Larson, Pete Larson, Pat Murphy, Larry O'Shaughnessy, Doug Severin, Tim Stilwell, and Brad Thompson.

Boys Take 3rd In Sectionals

10-4 season record

This year's Boys' Swimming and Diving team completed their season with a 10 win 4 loss dual meet record. They finished 3rd out of 12 teams at the W.I.A.A. Sectional meet. This was the second highest finish in S.S.H.S. history. Senior Mike Wiseman broke 2 records this year. One was in the 500 yard freestyle with the time of 5:07.43 cutting 12.4 seconds off the old one. The other was the single season scoring record. Now it is 309½ points. Junior Jon Berg broke the junior scoring record. The new one is 287½ points. The Boys were coached by Head Coach, Mike Pahlen - Patti Berg, Assistant swimming coach - and Kate Walsh Assistant Diving Coach. The managers were Doree LaJoie and Tammi Blatt.

Girls Take 6th At Sectionals

petroske goes to state

The Lady Spartans completed a 6-5-1 dual meet record. The team finished 6th out of 15 teams at the W.I.A.A. sectional meet held in Scofeild, Wisconsin.

Liz Petroski was the lone qualifier to state from the Spartan team. During the season 23 records were broken in many events. Some of the records broken by Liz Petroski, showing her leadership were the 100 breast stroke and the 200 freestyle.

This years captains were seniors Liz Petroski, Lisa Campbell and junior Sue Eisenmann. Managers were Pat Brittan and Jon Berg.

1982 Boys' Cross Country

run 5000 meters

Practice for the 1982 cross country season began August 23. The boys run a meet distance of 5000 meters. Most cross country meets are held on local golf courses. A typical cross country meet will have anywhere from two to sixty teams. Each team consists of seven members and the top five team members count for team score. Unlike most team sports in which the team with the most points wins, in cross country the team with the least team points is the winner. Our boys program has not been successful in many years. Coach Olson feels that 1983 will bring a renewed attitude over the team members which will be reflected in a more competitive season.

1982 Girls' Cross Country

run 3200 meters

Practice for the girls began on August 23. There were six girls on the team. The girls race is 3200 meters. Cross country is a sport which many people feel takes average physical ability, but above average self-motivation. To be competitive, a cross country runner must run many miles during the summer months and work very hard during practice and meets. Our girls' program has had some success in past years. The high point of the 1982 season was when Kelly Gaynor and Joan Autio were named to the All-Twin Ports Cross Country teams. Both the girls and the boys cross country teams were coached by Doug Olson.

Wrestling

rookies dominate team

The 1982-83 wrestling team was a very young team. The majority of the team members were sophomores. They gained valuable experience at the same time and as they matured. They will definitly turn the tables on their opponents. The boys on the team worked hard all year and saw the benefits as the year ended. The pride and spirit that they had will help them to develop into a super team in the next two years. The juniors and seniors on the team have helped to develop balance and leadership and will prove to be an asset in the tournaments. Wrestlers have a unique position in that they wrestle as an individual, and work for the team.

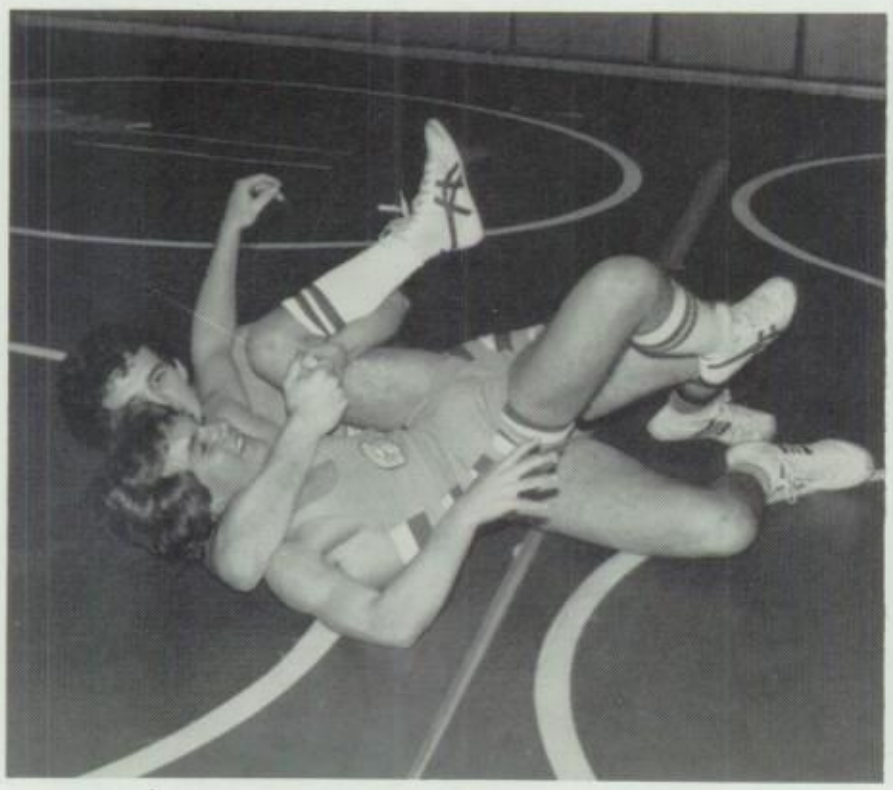
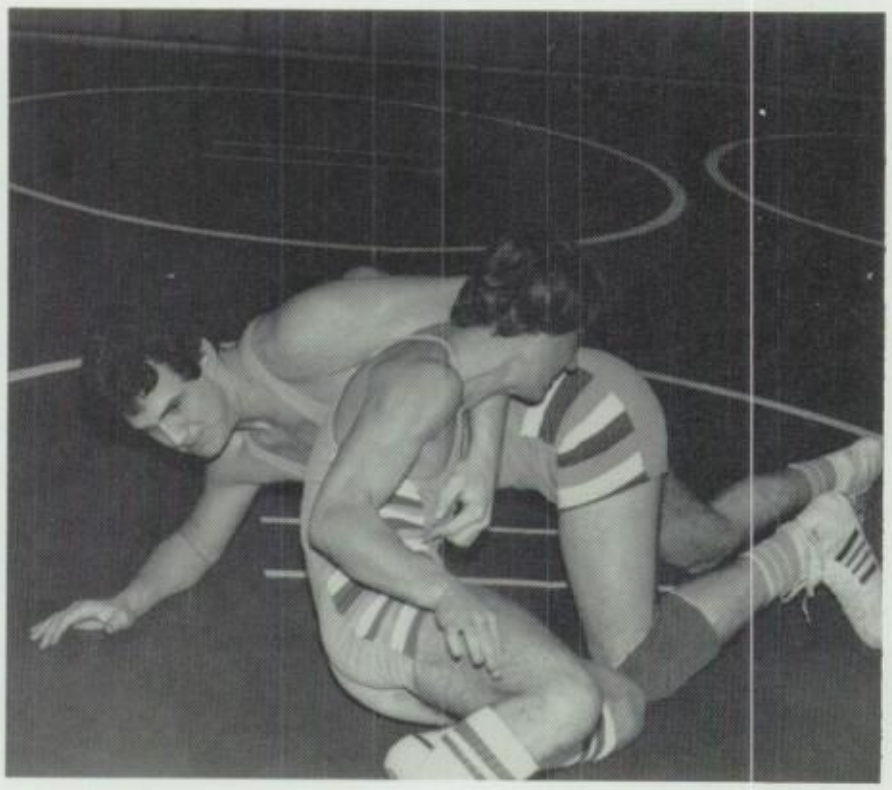
SUPERIOR





Hockey Cheerleaders
varsity and junior varsity

The hockey cheerleaders for the 1982-1983 season, advised by Diane Cushman, have practiced continually throughout the year to lead the crowds in supporting our teams. They have worked hard in increasing school spirit and enthusiasm. Posters were made and placed in the link area informing when games were scheduled, the place, and the time. This helped fans prepare to attend and cheer our teams to a victory. Assemblies were a major part of getting students involved in the excitement while the cheerleaders performed and ignited their spirit. The varsity squad attended camp during the summer and received the "excellence" award for their accomplishments along with other awards. We are proud of our squad for their support and determination to be the best.

Cheerleaders

football and basketball

Varsity cheerleader co-captains this year were Sue Roubal and Sandy Geegan. The girls cheered for both football and basketball during the 82-83 season. They performed in all of the pep assemblies, made posters, and ignited school spirit. During the summer the squad attended Camp Birch Knoll in Eagle River, WI. They came home with four blue ribbons, were finalists for the excellence award and Lori Fredrickson was named "All American Cheerleader".

The girls put in a lot of hard work to make the season successful.

The JV squad was chosen in October so they only cheered for basketball. These girls also put in hard work for they only had one month to get ready for their season.

hopes,

wishes and reality

a past remembered

Another School Year Comes to a Close
Another step in our growth is Complete.
This Book ----
these pictures,
these faces,
these memories,
reflect this growth.
It is a growth that has been
hopeful,
exciting
yet sometimes
depressing
and uneventful.
These memories may be
positive
or negative,
But ....
They are memories of 1983
Soon these memories will be our past,
and ----
On our past we build our future.

a future to start

1982-1983 News Events

COMPUTER AGE—Reflecting the influence of computers in our world, five-year-old Jessica Hale attends a computer camp.

MEDICAL FIRST — Retired dentist Barney B. Clark became the first human to be implanted with an artificial heart.

FOOTBALL STRIKE — National Football League players went on strike, causing a large part of the football season to go unplayed. Players' union chief Ed Garvey, left, and players' union president Gene Upshaw were in the thick of things.

FUTURE KING — British royalty continued to make headlines around the world, this year with the birth of Prince William to Charles and Diana, the Prince and Princess of Wales.

1982-1983 News Events

"TOOTSIE" ROLLS — The movie "Tootsie," starring Dustin Hoffman was a stellar performer at the box office.

CELEBRATION — St. Louis Cardinals players raced on to the field to celebrate their World Series championship over the Milwaukee Brewers.

FALKLANDS WAR — Great Britain and Argentina went to war in the South Atlantic over the Falklands Islands, and Great Britain prevailed in the conflict. One of the casualties of the war was this Argentine cruiser, victim of a British torpedo.

FREED — Lech Walesa, right, leader of the banned Solidarity Trade Union, was released from a lengthy internment by Polish authorities.
